18 ORDER

19 On April 22, 2014, the Court entered an *Order Scheduling Settlement Conference*  
20 (hereinafter "*Order*") before the Honorable Janet Berry.<sup>1</sup> The *Order* instructed:

21 The Defendant must bring a representative who has final settlement authority to  
22 commit the organization to pay, in the representative's own discretion, a  
23 settlement amount up to the Plaintiff's prayer, or up to the Plaintiff's last demand,  
24 whichever is lower. . . . Any insurance company that is a party or is contractually  
25 required to defend or to pay damages, if any, assessed within its policy limits in  
26 this case must have a fully authorized settlement representative present. Such  
27 representative must have final settlement authority to commit the company to pay,  
in the representative's own discretion, an amount within the policy limits or up to  
the Plaintiff's last demand, whichever is lower. The purpose of this requirement  
is to have in attendance a representative who has both the authority to exercise his  
or her own discretion, and the realistic freedom to exercise such discretion
